HARDING
UNIVERSITY

John Allen,

I, personally and representatively, would like to say - thanks.

It seems to me that we are always telling you how much we appreciate you and yet not getting right down to the fact that we love you. The way you present the truth is uniquely suited to so many of our needs. The attendance statistics show how people feel about your Thursday night lessons. But MORE important to me (and alot of others) is the life you live!

Try not to be discouraged because you really are helping us mature and we love you for it.

In Him,
Bob Stader
